Bazaarvoice Credentials

Your Bazaarvoice account is set up for the following domains and packages:

leroymerlin.ua, Ukraine, Ukrainian
leroymerlin.ua, Ukraine, English
Conversations - Ratings & Reviews
Standard Syndication
Advanced Content Tagging

We encourage you to jump in and take a look around.
Here's everything you need to get started.

Ratings & Reviews

- Read our [Knowledge Base](#)
- Log in to the BV Portal to access Ratings & Reviews at <https://portal.bazaarvoice.com/signin> to get started using your e-mail address:

nicolas.fillat@adeo.com

- You will receive a separate e-mail at the address listed above with steps for password creation
- Having trouble logging in? Request a password reset by clicking the "Forgot Password?" link
- To access Workbench, click on **Menu**, then **Workbench**, and choose your company from the dropdown (either Staging, or Production)
- To access the Configuration Hub (*Chrome or Firefox required*): click on **Settings**, then **Manage Applications**, scroll down to **Implementations**, choose **Main Implementation** and click **Edit** (read our [Configuration Hub Overview](#))

SFTP Access for Feed Delivery

- Log in to SFTP:

Staging: [sftp7-stg.bazaarvoice.com](ftp://sftp7-stg.bazaarvoice.com)

Production: [sftp7.bazaarvoice.com](ftp://sftp7.bazaarvoice.com)

Username: leroymerlin-ua

Password: R09n8&9TbTJq

Port: 22

- Deliver the product feed to the **/import-inbox** folder ([Sample Product Feed](#))

CLOUD SEO Access

- Cloud Key: leroym Merlin-ua-73b9abaef6f4f7cab938da388da3f476
- Deployment Zone ID: Main_Site-uk_UA, Main_Site-ru_UA

Syndication

- Read our [Knowledge Base](#)
- Syndication will be enabled by your Bazaarvoice team during your implementation

Advanced Content Tagging

The additional moderation codes used to identify and highlight additional insight from your content will be enabled by your Bazaarvoice team during your implementation

We look forward to working with you!
